3 Letter No: 1011/10-22 of 6.7.22 from the Dy. of Prisons explaining the need for an iron Safe in the Shimoga Dist Jail & recommending the purchase of a wooden cash Safe at a cost of Rs 50 in lieu of an iron cash safe sanctioned at a cost of about Rs 150/- & the net from the source provided with in the letter.

8) Need for iron safe is pointed out by the Dy of Prisons. There is however, no absolute necessity for the same. In the alternative the Dy of Prisons wants a sanction for Rs 50/- for a wooden cash box, as the are now in use is not quite fit for the purpose.

9) Rs 50/- for a wooden box is beyond the reasonable even extravagant estimate. A permanent iron safe at a cost of Rs 150/- is certainly more economic. Either the iron Safe may be sanctioned, or the Dy of Prisons asked to reconsider the cost of the wooden cash box proposed.

Sir,

With reference to your letter No. 4771/Pris 57-21- dated 18th April 1922 enquiring the need, at present, for an iron safe for the District Lock-up at Shimoga, when it was not necessary all these years, I have the honor to state tha the wooden box, which is now in use for the safe custody of cash and other valuables, is not in a fit condition to be us as a safe as it is time worn and can be easily tampered with The Office Room, wherein the cash box is kept, is in a separat enclosure of the Lock-up Buildings and as such, it is away f the immediate vigilance of the night standing guard, whose duties are mainly confined to the barracks wherein prisoners are kept. These facts were brought to my notice during the course of my last inspection of the Lock-up and the need for an iron safe seemed to me quite reasonable, But in view of the present financial circumstances, if sanction could not b accorded to the purchase of an iron cash safe, at a cost of Rs. 150/- sanction may kindly be accorded to the purchase of at least a wooden cash safe, at a cost of about Rs. 50/- and communicated to me at an early date.

The cost thereof will be met from the funds -
